The topic was given by daniel bradlow, professor of law and director of international legal studies washington college of law the american university, washington, d.C.

DINNER HELD BY WASHINGTON COLLEGE OF LAW

26 February 2008

The Washington College of Law, The American University, held a dinner in Jakarta on the 26th of February 2008. There are two reasons for this. The first is that the dinner is an opportunity for the Indonesian alumni to reunite with all other Indonesian alumni and to learn about and celebrate their successes since they graduated from WCL. Second, to announce that the law school is establishing 5 full tuition scholarships for international LL.M students. These scholarships are part of a new WCL initiative to make international legal education available to deserving and highly qualified students around the world who may not have the financial resources to attend WCL.
